GUILLIAT VS. EAVES.

Charley Eaves Vindicates Himself From the Charges Preferred.

Charley Eaves, a prominent farmer of Greenwood township, has been the defendant in a rather sensational criminal action brought against him in the Port Huron Police Court on a charge of criminal assault made by Mrs. Wm. Guilliat.

William Guilliat, her husband, had been working for Eaves, and Mrs. Guilliat alleged that Eaves came to her home during the absence of her husband and offered her money for improper purposes, and also that he assaulted her.

It was shown that Mrs. Guilliat had hid her brother-in-law in the cellar to watch Eaves, and that the young man admitted that he went there expecting to become a witness in a suit to be brought against Eaves.

It was also shown that the parties interested had tried to arrange for Eaves to go to the house on other occasions for the purpose of trying to trap him but Eaves did not go.

Eaves claimed that the whole matter was a scheme to get him into trouble and extort money from him. He proved that he went there on legitimate business and that a young man who went with him sat in the buggy before the open door but two rods away all the time he was at the house, while he sat in a chair near the door.

The case occupied two days and much of the evidence was of a sensational character. In summing up the case Judge Wagner decided that Eaves was not guilty but had been somewhat indiscreet in joking with hired men and others. He also decided that there had been a conspiracy on the part of the Guilliat family to entrap Eaves. After giving the parties a lecture for bringing such a matter into court he dismissed the case.

Prosecuting Attorney Avery appeared for the people and Harvey Tappan and P. H. Phillips for Eaves.

LAI D THE CORNER STONE.

The Ceremonies as Witnessed By an Expositor Representative.

Monday, June 8, 1896, was a gala day in the history of Emmet village and a day that will be long remembered, it being the occasion of the laying of the corner stone of the new Catholic church now in course of erection at that place. The day dawned wet and dreary, but towards noon it began to break and brighten up, and remained firm the rest of the afternoon.

Bishop Foley was met at the noon train by the following gentlemen: Patrick Cotter, John Dunnigan, James Cogley and the Richmond band which played enlivening airs and escorted him to the pastoral residence where dinner was served. The Bishop was accompanied by the following priests who afterwards took part in the main ceremony: Rev. Fr. Sadieler, Fr. Kelley, Fr. McMannus, Fr. Coyle, Fr. Kilroy and the Bishop's secretary, F. J. Baumgartner. At 1:30 o'clock the procession formed at the priest's house and the following was the order, the clergy in carriages: St. Patrick's Temperance Society, Sodality and other church societies, and the parishioners in general, and moved to the new church where the ceremony of laying the stone was immediately proceeded with. At its conclusion the Bishop delivered an address. He feelingly referred to the star spangled banner that granted both religious and civil freedom to our citizens. He gave the Kenosha parish a high commendation for their good behavior in the past and sincerely hoped that they would not tarnish that record by any future disobedience; but if they did they would certainly feel his power, as he intended to maintain discipline. He hoped they would now unite and complete the good work just begun and that when he next visited Emmet Our Lady of Mount Carmel would be completed and harmony would prevail. At 5:00 o'clock the Bishop took the train for Lapeer on his way to Detroit. On account of the inclemency of the weather the attendance was not as large as expected, it being estimated that 1,600 persons were on the ground. Work on the church is progressing finely. Brick work will commence in about a week, the first floor being now laid.

The Ideal Panacea.

James L. Frances, Alderman, Chicago: "I regard Dr. King's New Discovery as an ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physician's prescriptions or other preparations." Rev. John Burgess, Keokuk, Iowa, writes: "I have been a minister of the Methodist Episcopal Church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Try this Ideal Cough Remedy now. Trial bottles free at Grant Holden's drug store.

McLaughlin—Hill.

There was a neat little wedding last Wednesday evening at the residence of Isaac McLaughlin north and east of the village.

The contracting parties were Miss Carrie E. McLaughlin of this place and Fred C. Hill, one of Port Huron's business men. About seventy persons, friend of the bride and groom, assembled to witness the Rev. Windrem, of Fostoria, tie the knot in his usually graceful manner. The bride was elegantly attired in cream and white serge with pearl ornaments. Miss Sadie McLaughlin, sister of the bride, and our own blushing Duncan A. McKeith stood up with the happy couple; Mrs. J. M. Palmer played Mendelssohn's Wedding March; an elegant supper after the ceremony, at which place the representative of the Expositor particularly distinguished himself; many costly presents were given the bride, and the event was a happy and interesting one in every particular.

The couple started at once on a wedding trip to Duluth, Buffalo, New York and other places of interest, and will return in about two weeks and reside in Port Huron.
